I, John (NMN) Swenszkowski now give this statement to
Inv. Ralph R. Scruton, Jr. Oswego Co. Sheriff's Dept.
I am 42 years of age, born on the 5th day of June, 1951
I live at RR#8 Box 249 Maiden Lane Rd. Oswego, N.Y. 13126
At this time I would like to add to my statement of April 4, 1994 8:30 AM.
When I came to the intersection of Rt. #104 and Rt. #104 B, I turned right onto Rt. #104B and then left into the D&W Store.
I parked at the right end of the store as you look at it from Rt. #104 B.
I went in and purchased two news papers and a pack of cigarettes and paid the girl behind the counter and left the store. As I ~~walk~~ was walking down the stairs to go to my car, the van that I had passed in my statement of 4-4-94 was parked near the payphone at the end of the store near my car.
A white male approx. 5'7" to 5'8" thin with a mustache, 3 or 4 day beard and a ball cap was closing the driver door on the van. As we walked past each other I said hi and he said something I

in return, I'm not sure what. When I got to my car I opened the drivers door and reached in and placed the papers on the passenger seat. Then I stood up outside the car and opened the pack of cigarettes I just bought. I put them in my ~~shirt~~ jacket pocket and took out my car keys. Then I got in my car, started it up and started to pull around the van to leave. At the point the van also started to move which surprised me because I didn't think the person had enough time to go in the store and back out again, and I didn't see him come back out. Nor did I hear any doors open or close on the van. Then van pulled ahead and stopped in the area of the double entrance doors to the store. The van stayed there. So I pulled around the van JS

and drove out between the two gas pump islands. I was going to drive between the store and the first pump island and that surprised me when the van stopped there. Thinking about it I probably could have gone between the van and the pump island, because the van was closer to the store then the island but I didn't want to take a chance. I turned right onto Rt. #104 towards Oswego and went home. When I left the van was still stopped by the store and I didn't see it leave.
